	date throughout the policy term, while deposit interest shall be transferred semi-annually in June and December of every year.
<u>Deposit/Withdrawal/Transfer</u> <u>Conditions:</u> <u>Benefits and other Conditions</u>	<ol style="list-style-type: none"> 1. Deposit must be made on the account opening date, whereby the deposit amount must equal to the remaining life insurance premium to be paid up to 7 years (not including the first year's premium which has already been paid) within 30 days after the Depositor's application for ttb the Treasure (88/8) life insurance product. The deposit can be made either by cash, cheque or transfer. 2. ttb the exclusive savings account cannot be used in conjunction with all types of debit card and cannot enroll for SMS alert/ Promptpay / direct debit / direct credit and automatic transfer system service. 3. ttb the exclusive savings account cannot be designated as a beneficiary account. 4. Partial withdrawal is not allowed. Withdrawal must be in full amount as deposited and the account can be closed at the branch only. 5. The Depositor cannot convert an existing ttb account to ttb the exclusive savings account or convert ttb the exclusive savings account to another type of deposit account. 6. After the 7 years' premium on ttb the Treasure (88/8) has been fully settled, the Bank shall transfer the last installment of outstanding interest subject to withholding tax (if any) according to the Revenue Department's regulations to the linked account and automatically close ttb the exclusive savings account. 7. ttb the exclusive savings account does not allow any financial transactions either inward or outward such as deposits, withdrawals, funds transfers or receiving funds transfers, bill payment or e-payment, direct credit/debit via various Bank's channels.
(4) Fees / Service Charge	
<u>Account Maintenance Fee</u>	No fee
<u>Account closure fee upon breach of product conditions</u>	0.75% of the total deposit balance (Penalty fee is in accordance with the Announcement on Fees Rates, Charges and Penalty related to Deposit and Lending and Other Fees (Table 3))
(5) Advice/Warning	
	<ol style="list-style-type: none"> 1. For initial deposit, <u>after</u> 30 days from the date of applying for ttb the Treasure (88/8), the Bank shall transfer the principal and interest calculated from the deposit term based on ttb basic savings rate to the linked account and automatically close ttb the exclusive savings account.

	<ol style="list-style-type: none"> 2. In case where the deposit amount is <u>less than</u> the premium required to be paid for the next 7 years, (not including the first year's premium which has already been paid), the Bank shall transfer the principal and interest calculated from the deposit term based on ttb basic savings rate to the linked account and automatically close ttb the exclusive savings account. 3. In case where the deposit amount <u>exceeds</u> the premium required to be paid for the next 7 years (not including the first year's premium which has already been paid), the Bank shall transfer the difference (not including the first year's premium which has already been paid) together with interest calculated from the deposit term based on ttb basic savings rate from ttb the exclusive savings account to the linked account. 4. In case where the Depositor cancels ttb the Treasure (88/8) insurance policy prior to its maturity (policy surrender) or where there is a change in premium payment methods, the Bank shall transfer the entire outstanding balance and accrued interests subject to withholding tax (if any) according to the Revenue Department's Regulations from ttb the exclusive savings account to the linked account. In this regard, the Bank shall deduct account closure fee upon breach of product conditions at the rate announced by the Bank from the outstanding principal through direct debit from the linked account and automatically close ttb the exclusive savings account. 5. In case where the Depositor wishes to withdraw money from ttb the exclusive savings account, the Depositor must withdraw the whole outstanding balance in order to close the account. Partial withdrawal is not permitted and the account must be closed only at ttb branch. The Bank shall transfer the entire outstanding balance and accrued interests subject to withholding tax (if any) according to the Revenue Department's Regulations from ttb the exclusive savings account to the linked account. In this regard, the Bank shall deduct account closure fee upon breach of product conditions at the rate announced by the Bank from the outstanding principal through direct debit from the linked account and automatically close ttb the exclusive savings account. 6. In case where the Depositor fails to meet the conditions stated in No. 1 – 5 and the linked account has been closed with the result that the Bank is unable to transfer money to the linked account as per the conditions, the Bank shall convert ttb the exclusive savings account to ttb basic account in lieu of transferring money to the linked account. 7. In case where the insured passes away and ttb the Treasure (88/8) policy subsequently terminates, the Bank shall transfer the
--	---

entire outstanding balance and accrued interests subject to withholding tax (if any) according to the Revenue Department's Regulations from ttb the exclusive savings account to the linked account and automatically close ttb the exclusive savings account. If the linked account has already been closed, the Bank shall convert ttb the exclusive savings account to ttb basic account for the Depositor instead.

8. In case where the Bank is informed by the heir or administrator of the estate that the account owner passes away and any one of them wishes to close ttb the exclusive savings account or cancel transactions from the account, the Bank shall transfer the entire outstanding balance and all accrued interests subject to withholding tax (if any) according to the Revenue Department's Regulations from ttb the exclusive savings account to the linked account and automatically close ttb the exclusive savings account. In this regard, the Bank shall deduct account closure fee upon breach of product conditions at the rate announced by the Bank from the outstanding principal. If the linked account has already been closed, the Bank shall convert ttb the exclusive savings account to ttb basic account for the Depositor instead.
9. The Bank shall make direct debit from ttb the exclusive savings account to the linked account in an equal amount for premium payment on ttb the Treasure (88/8) on a yearly basis. The transfer shall be made 1 business day before due date. If the linked account has been closed with the result that the Bank is unable to transfer money to the linked account for premium payment, the Bank shall convert ttb the exclusive savings account to ttb basic account for the Depositor instead. In this regard, the Bank will deduct account closure fee upon breach of product conditions at the rate announced by the Bank from the outstanding principal.

Examples:

How to calculate account closure fee upon breach of product conditions:

End of Year	Principal	Interest including Bonus*	15% Tax	Net Interest
1	7,000,000.00	227,500.00	34,125.00	193,375.00
2	6,000,000.00	195,000.00	29,250.00	165,750.00
3	5,000,000.00	162,500.00	24,375.00	138,125.00
4	4,000,000.00	130,000.00	19,500.00	110,500.00
Breach conditions in Year 5 Withdraw money in Year 5, 4th month		3,000,000.00	32,500.00	4,875.00
		(A)		(B)
Account closure fee upon breach of product conditions = 0.75% of the total outstanding deposit (Penalty rate as per announcement)				22,500.00 (C)
Total money received		3,000,000 + 27,625 - 22,500 = 3,005,125.00		3,005,125.00 (D)
		(A)	(B)	(C)

*Interest including bonus = Reference Policy Rate + Bonus interest (2.50% + 0.75%)

	Remark: This account cannot be transferred or furnished as collateral, or to create an obligation over the right to receive money in the account with other individuals or juristic persons, except with written consent from the Bank.
