To President
The Stock Exchange of Thailand

Reference: The letter of TMBThanachart Bank Public Company Limited No. CC. 097/2025 Re: Notification of the Board of Directors' Resolutions of TMBThanachart Bank Public Company Limited on the Share Repurchase Project for Financial Management Purpose (Treasury Stock) (The second share repurchase) dated 16 December 2025

Pursuant to the resolution of the Board of Directors Meeting of TMBThanachart Bank Public Company Limited (the "Bank") No. 12/2025, held on 16 December 2025, approved the Share Repurchase Project for Financial Management Purposes. Under this project, the Share Repurchase Project will be conducted with a total budget not exceeding THB 8,900 million. The number of shares to be repurchased will not exceed 4,384 million shares, equivalent to 4.49 percent of the Bank's total paid-up shares. The share repurchase will be conducted through a general offer during the period from 22 January 2026 to 4 February 2026, totaling 10 business days, as previously disclosed by the Bank to the Stock Exchange of Thailand referenced above.

The Bank hereby notifies that the Share Repurchase Project for Financial Management Purposes was completed on 4 February 2026. The Bank repurchased a total of 3,095,227,507 shares, representing 3.17 percent of the Bank's total paid-up shares, with a total value of THB 6,283,311,839. Therefore, when combining the number of shares repurchased under this project with the number of shares repurchased from the previous share repurchase project, the Bank's total cumulative repurchased shares amount to 5,783,412,207 shares, representing 5.93 percent of the Bank's total paid-up shares.

In this regard, Thanachart Securities Public Company Limited, acting as the Bank's agent for the share repurchase (the "Offer Agent"), will proceed to deliver the repurchased shares (which the offerees have deposited with the Offer Agent) to the Bank by 9 February 2026 or within 3 business days after the end of the offer period, through a Big Lot transaction or by any other method as the Offer Agent deems appropriate in accordance with the applicable rules and regulations. The offerees will receive the payment of the share purchase price within 5 business days from the end of the offer period, i.e. by 11 February 2026. In this regard, the offerees will receive the payment of the repurchased shares upon the acceptance form and supporting documents are correct and complete, and those shares intended to be sold have been duly delivered to the Bank.

The Bank remains committed to achieving the Share Repurchase Project under the total approved budget of THB 21,000 million, of which THB 9,614 million remains available. As the Bank was able to complete the Second Share Repurchase Project earlier than originally scheduled, this has provided the Bank with flexibility regarding the timeframe for implementing the subsequent Share Repurchase Project. The Bank will carefully determine the appropriate structure and method for future Share Repurchase Project, taking into consideration relevant factors, including capital market conditions, in order to ensure that each Share Repurchase Project generates maximum benefit for all shareholders.

Please be informed accordingly.

Yours sincerely,

(Mr. Piti Tantakasem)
